Marshalling Procedures

Any swimmer who fails to report personally to the Marshal at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered shall be deemed to be withdrawn. It is permissible for a swimmer's representative to report to the Marshal on their behalf. Where a swimmer has difficulty in reporting to the Marshal by the required time, it is recommended that their representative report to the Marshal on their behalf prior to the event closing. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Marshall. All heats (including heats of 800 metres and 1500 metre freestyle) shall be deemed to be one event for the purpose of this rule.

For Example: If entered in Event 9, the swimmer must have personally reported to the Marshal **before the start of the first heat of Event 7.**

Note: Once swimmers have reported to the Marshal, they must remain in the Marshalling Area until directed to their starting positions by the Check Starter. Failure to remain in the marshalling area may result in the swimmer being debarred from that event.

Competitor passes will **NOT** be mailed out to swimmers.
Entry into the venue will be **FREE** for **ALL** competitors.
