## Marshalling Procedures

Any swimmer who fails to report personally to the Clerk of Course at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered shall be deemed to be withdrawn. It is permissible for a swimmer's representative to report to the Clerk of Course on their behalf. Where a swimmer has difficulty in reporting to the Clerk of Course by the required time, it is recommended that their representative report to the Clerk of Course on their behalf prior to the event closing. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Clerk of Course. All heats (including heats of 800 metres and 1500 metre freestyle) shall be deemed to be one event for the purpose of this rule.

**For Example:** If entered in Event 9, the swimmer must have personally reported to the Clerk of Course **before the start of the first heat of Event 7.**

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.17.

## Timing and speed of growth and maturation can vary considerably

A way to assess a child's growth and maturation stage is by estimating the time point which maximum growth rates occur (point of peak growth).

## We can assess time and speed of growth and maturation by measuring:

- Standing height (stature)
  - Child and both biological parents
- Sitting height
- Weight

## We will be measuring these at the station:

Have you ever wondered when your growth spurt might occur or how much growing you have left?
