2. Sign up to hear from us direct in future!

To improve communication in future we have created a new *Officiating Australia* email list. It's purpose is to share:

- Officiating news and information
- Roster calls for future national events

It is for experienced, new, 'maybe one day' Officials, administrators and coaches. You may unsubscribe at any time or update your contact details via the link in emails.

[The sign up form for this list can be found on the Swimming Australia website Technical Official page HERE](#).

We would be grateful if you could please assist us by circulating this information to Technical Officials within your State and Territory. Any questions concerning the appointment of officials can be directed to officiating@swimming.org.au.

Kind Regards,

Ben Ramsden
