

2021/22 Performance Pathway Program Terms and Conditions

Swimmer Eligibility

To be eligible for selection into any 2021/22 Swimming NSW (SNSW) Performance Pathway Squad, swimmers must be:

- An Australian Citizen
- Permanently residing and training in NSW or ACT
- A current financial swimming member of Swimming NSW

Meeting eligibility and selection criteria do not guarantee automatic selection into Performance Pathway Squads.

Selection Timeframe

Swimmers will remain in their selected Squad for one year (until the conclusion of the 2022 Australian Championships), unless otherwise specified. The NSW Technical Lead or SNSW Coaching Director may review the position of a squad member at any time during this period if it is deemed the athlete is not meeting their performance/attendance requirements or has breached the terms and conditions of the program.

Accepting and Maintaining a position on a SNSW Squad

Swimmers may only accept a position on one (1) Swimming NSW Squad each year, with the default being set to the highest level of achievement. Swimmers may be recommended to move squads during the year, at the discretion of the NSW Technical Lead or SNSW Coaching Director.

All NSW squad members must complete the following documentation prior to being confirmed on the squad:

- 2021 Swimming NSW Online Team Agreement and Informed Consent
- Online ASADA level 1 and 2021 level 2 education (level 2 must be renewed yearly)
- Match Fixing e-learning (required to be completed once)
- Any other required content that will be advised upon squad selection

Swimmers are required to attend all allocated squad activities. Should the athlete be unable to attend any activity due to medical, school or other reasons, SNSW must be notified at least seven (7) days prior to the activity date. Written document/s must be provided outlining the reason the athlete is unable to attend. If insufficient notice is provided, the athlete may be liable for any associated costs or be withdrawn from the squad. Swimmers must attend all activities to receive full squad apparel and equipment.

It is the responsibility of the squad member to ensure all conditions of the Team Agreement are met. The squad may be amended at any time by the NSW Technical Lead or SNSW Coaching Director whereby a swimmer's squad status is withdrawn based on a failure to comply with the appropriate agreements or the swimmer meets another selection criterion during the course of the year.

Swimmer Withdrawal from a SNSW Squad

A swimmer wishing to withdraw from a SNSW squad may do so by informing the SNSW Coaching Director or Pathway Program Manager in writing at any time. Any equipment loaned to an athlete through the Program must be returned upon withdrawal. Athletes who do not return equipment will be liable for the cost of all outstanding equipment. The swimmer will also be responsible for all associated camp costs if withdrawal is less than seven (7) days from departure date.
