

2022-2023 **SWIMMING NSW** **MEMBERSHIP BROCHURE**

MADE TO SUIT

We at Swimming NSW are proud to present our 2022-2023 membership options, carefully designed to better align with the ever-changing needs of families in our modern society. In this brochure you will find a range of different products suited to our vast range of members including parents, coaches, Technical Officials, Learn to Swim participants, those that may only wish to swim at a club level, and competitive swimmers.

The **Dry/Supporter membership** is what you may traditionally know as our Non-Swimmer membership, but with extra benefits added that may be helpful for parents and coaches alike, particularly in a COVID-19-influenced environment.

The **Recreational membership** is a significant achievement, created for those in Learn to Swim programs, or those members who may only wish to participate in casual swimming. We hope you will see the potential for member recruitment in this low-cost, high-value option.

Our **Club and Full Swimmer memberships** are designed to meet the needs of swimmers who wish to progress along our Performance Pathway, beginning with club races, and working up to NSW Performance Squad selection.
