Eligibility

To be considered for selection, athletes must:

- be a financial member of a Swimming NSW club
- agree to pay an athlete contribution prior to the team's departure

Athlete performance selection criteria and process

The performance requirements to be met by an athlete to be considered for selection for the Touring Team are as follows:

- The athlete has achieved a minimum of 2 meet qualifying times to be eligible (i.e. athletes may not be considered if they only qualify for one event)
- The selection events where performances will be considered are the 2024 Australian Age Championships, Australian Open Championships and Australian Swimming Trials
- Athletes' best performances at the selection events will be ranked by percentage closest to the benchmark times from the [2024 SNSW Performance Pathways Qualifying Times – Olympic](#) in order to determine priority of selection
- Only performances in Olympic events will be considered
- Team selection will be completed by the SNSW Coaching Director and Selection Committee
- Athletes must comply with the [Swimming Australia National Integrity Framework](#), including the Code of Conduct. An athlete will be ineligible for selection if they have exhibited any behaviours or conduct that do not meet these standards.
- Athletes may sign the Swimming NSW Athlete Team Agreement and pay the touring team contribution by the date specified upon selection.

Team size

Up to 12 athletes will be selected for the Touring Team based on the selection criteria and process outlined above. SNSW reserves the right to take fewer athletes should the criteria not be met.

In the event of a tie for the final position on the team, selection will be based on the ranking system, then the 2023 World Aquatics Point Score for the tied athletes will be used to separate the tied athletes. If the tied athletes remain tied after using the Point Score system, then the SNSW Coaching Director will select the athlete(s) to the Team at their absolute discretion.

Meet Qualifying Times

The Japan Open qualifying times will be published once they have been released by the organising committee.
