## **Acknowledgement of Country**

We would like to acknowledge that we are meeting today on the land of the Darug people. The Darug people are the traditional custodians of the land, who loved and cared for this land for thousands of years. We pay our respects to the elders past, present and emerging as they hold the memories, traditions, the culture and hopes of indigenous people. We would like to extend this respect to other indigenous people who are present today.

## **President's Welcome Message**

We would like to welcome you all to our first swim meet as ACU Blacktown Swim Team. Blacktown Swimming Club was formed in 1961 and has been a community-based organisation continuously since then. The committee over the years has provided learn to swim and coaching and advocated for the facilities we have today. Our new partnership is with Swimming NSW and ACU Sport who run the swim squad program. I would like to thank our coaches Misha, Sarah-Jane and Matt and our sponsors and supporters, ACU Sport, Coates Hire, Steggles, Blacktown City Council and the staff at Blacktown Aquatic Centre. We have 250 competitors at our meet today with some athletes travelling from as far as Newcastle to attend our meet and we would like to thank all our visiting clubs for your support at our meet.

We would like to thank our wonderful volunteer technical officials for offering their time at the meet, as we know we wouldn't be able to have a meet like this without their help.

We would like to welcome our special guests Paul McJannett Director Sport ACU, Wellbeing and Residential and Elysha O'Neill ACU Sport Program Lead, and Alisha from Future Students

We wish all our swimmers and coaches good luck, hope that you have an enjoyable day and wish you a safe journey home.

## MEET PROCEDURES

### CHECKING ENTRIES

If there is a problem with any of the entries or Event Program please see the Meet Director, Faye Lewis.

### MARSHALLING PROCEDURES

The meet program stated that there would be assisted self-marshalling at this meet however due to the variation in swimmer ability at this meet we have decided to have traditional marshalling

Any swimmer who fails to report personally to the Marshal at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered shall be deemed to be withdrawn. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Marshal.

**For Example:** If entered in Event 9, the swimmer must have personally reported to the Marshal **before the start of the first heat of Event 7.**

**NOTE:** Once swimmers have reported to the Marshal they must remain in the Marshalling Area until directed to their starting positions by the Check Starter. Failure to remain in the marshalling area may result in the swimmer being debarred from that event.

Coaches or parents are not permitted to be in the Marshalling Area.

In the event of there being sufficient withdrawal from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

All entrants in meets conducted by Swimming New South Wales must abide by, and be subject to all the rules, policies and procedures of the meet as decided from time to time by Swimming New South Wales Ltd.

### WITHDRAWALS

Please advise the marshal if you wish to withdraw from any events during the day.

## **MULTI – CLASS EVENTS (MC)**

All MC events at this meet will be conducted as per Swimming NSW Rules for a swimmer with a disability in competitive swimming.

## **RESULTS**

The results will be posted at the meet near the entrance of the competition pool and will be uploaded to swim central.

# STARTING INSTRUCTIONS

1. When the swimmers have been placed behind the starting platforms, the Starter will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.
3. On the command **“Take your marks”**, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.

**NOTE:** If, because of the length of the program, “starting over the top” is used, swimmers from the preceding heat are to move to the side of the lane, **against the finishing wall, and remain still**. When the next heat has started they should leave the pool by the sides as quickly as possible.

## PARKING

There is free parking adjacent to the pool. The entrance to the car park is off Boyd Street, Blacktown.
