The Meet will be conducted under SNSW Rules. Heats will be conducted in order of **fastest to slowest**.

The program of events will be finalised before the meet and this program will be final. No reseeding or modifications to lane allocations will be made, except as outlined below for 400m events and above. A copy of the program will be placed on the Swimming NSW website prior to the meet. Meet Mobile will also have these details on the day of competition. If it is deemed that we may be able to reseed due to the withdrawal athletes in 400m, 800m & 1500m events swimmers will be notified by announcement. Athletes may inform SNSW if they are withdrawing from events via [events@nsw.swimming.org.au](mailto:events@nsw.swimming.org.au)

## ASSISTED SELF MARSHING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Help-Desk Clerk in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process.
  - **The fastest heats will report first.**
- In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
  - **four (4) heats prior** to their heat for 50m, 100m and 200m events except the slowest heat.
  - the **slowest (last) heat** swimmers in 200m, 400m, 800m and 1500m events are required to report to the Help Desk (Clerk of Course) prior to the first heat of the event and be prepared to be allocated to any spare lane that arises in the preceding heats of their event.
  - All other heats in the 400m two (2) heats prior to their heat, and for 800m and 1500m events one (1) prior to their heat.
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.
- 400m, 800m and 1500m swimmers or their representatives are requested to confirm their intention to swim or withdraw prior to the start of the session.
- The first heat of each session should report 5 minutes before the scheduled commencement of the session.
- There will be chairs behind the timekeepers at the start end.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to technical officials.
- Swimmers are expected to be at the chair ready for the whistles to start their heat. Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event. If they miss their heat, they need to alert a technical official and they will be placed in a spare lane if it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have a Help Desk-Clerk (Technical officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.

## RULES CONTINUED...

- Swimmers will leave clothing so that it is able to be collected without re-entering the competition area after their event. (On or over main and warm up pool dividing fence)
- Swimmers exiting the pool after events will move to the swim down pool via designated exits and the rear corridors. One exit is located near the Coaches Room, another on the start side near the walkway exit and two exits in the warm-up pool fencing behind the start area.
- Relay teams (if applicable to this event) are expected to know their heat, lane and order. They are expected to be ready to line up in the marshalling chute when called and leave the pool deck as soon as they complete their swim.

## MULTI-CLASS (MC) SWIMMERS

MC swimmers competing in able bodied events are required to report with their classification card to the Referee prior to each Session, where their exceptions have not already been submitted with their entries.

Each Support Staff member for MC swimmers must wear their Pool Deck Accreditation tag while in the Marshalling Area, and on Pool Deck. Support Staff must comply with the applicable NSW Multi Class rules when they are on deck. To apply for a MC support pass, please email [events@nsw.swimming.org.au](mailto:events@nsw.swimming.org.au)

## BACKSTROKE LEDGES

Backstroke Ledges will be used during this Meet. A swimmer is not required to use the Ledge for the start of a backstroke race. The ledges will be set to "0" (zero) by the Inspector of Turns and it will be swimmer's responsibility to adjust the ledge, and to make sure that it is locked in place after this adjustment.

## TAPING

The following uses of tape are **generally permitted** in competition and **advanced notification to the Technical Manager is recommended**:

- a. Wound protection and closure.
    - Band-Aids, dressings, "Butterfly" type, etc. are normally permitted **with no advanced notification to the Technical Manager**.

The certificate must be signed and dated by a Medical Practitioner or Physiotherapist indicating credentials of the medical practitioner and incorporate the period taping is required.
  - Casts and splints supporting a broken bone or other injury, whether fibre glass, plastic or plaster, are **not permitted in competition** – irrespective of whether a Medical Practitioner's note has been presented.

## INCLUSIVE SWIMWEAR POLICY

A swimmer wishing to wear modified or alternate swimwear is required to present that swimwear to the Technical Manager or Meet Referee prior to the swimmer's first session of competition. Further information in respect to this policy is available at <http://www.swimming.org.au/inclusion> and at SNSW Rule GR19 General Swimwear Policy.

### **POOL DECK & FIELD OF PLAY**

At all times during competition at this meet the pool deck must be kept clear of athletes & their equipment. Athletes are only permitted to be in the competition area if marshalling or competing or speaking to their coach.

When athletes are not competing, they and their belonging must be located behind the barriers in the warmup area (but not obstructing access for Coaches and athletes using the warmup pool) or in the appropriate Grandstand.

Only permitted persons (athletes, coaches, approved support staff and Technical Officials) will be permitted to be on pool deck and in the warmup area.

Accordingly, the Swimming NSW Field of Play Policy will be strictly applied at this swim meet.

### **MEDICAL ISSUES**

By entering this event, competitors (or legal guardian) are declaring that they are fit to compete. In the event that an entrant experiences a medical issue whilst competing at, or during a New South Wales Championships, the entrant will be required to provide a medical clearance from a health care professional before being allowed to resume competition at that Championship. The Technical Manager will have the sole authority to adjudicate on this rule. Please refer to GR 3.3.

### **POOL ACCESS POLICY**

Swimming New South Wales Ltd recognises that, from time to time, various people have the need to access the field of play during swim meets. By necessity, access to this area is restricted and only persons authorised by Swimming New South Wales are permitted access.

Authorised personnel includes but is not limited to:

- Appointed Technical Officials & Volunteers (*must have a valid WWCC*)
- Swimmers who are entered in events of the swim meet
- Accredited Coaches who meet the requirements listed below
- Support Staff who have been approved by Swimming NSW (*must have a valid WWCC*)- including approved Multi-Class Support Persons (must have event support pass with them at all times)
- Swimming NSW Staff
- Security personnel and venue lifeguards
- Media personnel
- Swimming NSW invited guests

**The Swimmers' change rooms/toilets are part of the "Field of Play" and are out of bounds for non-swimmers, including parents and coaches.**

The granting, controlling, and monitoring of the physical access to the pool deck and the area of competition is important to the safety of persons authorised.

Coaches must meet the requirements of the [Coaching Pool Deck Access Policy](#), which requires them to:

- a) Hold a current valid membership with SCTA (Swim Coaches & Teachers Australia)
- b) Have completed the NSW Meet Registration Form
- c) Have a current & valid Working with Children Check

Individuals that require pool access to assist swimmers in the event that their Club coach cannot attend, or they do not have a Club coach, may apply to Swimming NSW to be granted pool deck access by contacting Swimming NSW and applying for a support pass. A WWCC is required.

Sport Science staff and Team managers (where applicable) may apply to Swimming New South Wales prior to the meet and must display their pool deck accreditation at all times. **This access privilege may be revoked at any time by the Board, its authorised representatives, or the Technical Manager.**

The utility pool will be available for warm up and swim down until the end of the session. Coaches are asked to co-operate in giving every competitor the best opportunity possible to prepare for their events.

Please consult the following Warm up Procedure Information and be aware of announcements to determine lane usage throughout the warm up period. Usage may be varied at the discretion of the Technical Manager.

### **Maximum of Ten (10) Swimmers per lane at any one time COMPETITION POOL**

In the interest of swimmers safety, the following general pool procedures for the MAIN COMPETITION POOL must be observed throughout the meet: All lanes in the Main Competition Pool, with the exception of lanes 0 & 9 are NO DIVING lanes, with entry to the lane “feet first, from a sitting position”. Swimmers can only push start, and should observe a “keep left” rule at all times.

### **SOUTHERN END**

Lanes 0 & 9 (southern end) are reserved throughout the whole of the warm up period for dive sprints and walk backs. Swimmers must clear the lane immediately, and must use caution when doing a Backstroke start. The usage of Lanes 1 & 8 will change. Up until 15 minutes before the end of Warm Up they are reserved as circle swimming lanes. For the last 15 minutes they are reserved for dive sprints and walk backs and turn practice as per the Lane 0 & 9 instructions. Lanes 2 and 7 are reserved throughout the whole of the warm up period as Race Pace Lanes. Lanes 3 to 6 are designated for the duration of the meet as circle swimming lanes.

### **NORTHERN END**

Lanes 0 & 9 (northern end) are reserved throughout the whole of the warm up period for Turns Only. The usage of Lanes 2 & 7 are designated as Race Pace Lanes and Lanes 3 to 6 as Circle Only for the duration of the meet.

### **DIVING POOL**

In the interest of swimmers safety, the following general pool procedures for the UTILITY POOL must be observed throughout the meet:

All lanes in the Utility Pool with the exemptions of Lanes 0 & 1 are NO DIVING lanes, with entry to the lane “feet first, from a sitting position”. Swimmers can only push start and should observe a “keep left” rule at all times.

Lanes 0 & 1 are designated for the duration of warm up to being 25m Dive Sprints one-way (walk back) lanes. There is to be no entry from the western end of the pool into these lanes. Swimmers should clear the lanes immediately.

Lanes 2 and 3 are designated for the duration of the meet for Race Pace work only. There is to be no entry from the western end of the pool into lanes 2 and 3. Swimmers should clear the lane immediately.

Lanes 4 - 10 are designated for the duration of the meet as circle swimming lanes.

Coaches - please do not allow your able-bodied swimmers to train in these lanes and we request that you lead by example and ensure your swimmers follow these simple instructions. We will be monitoring the use of these lanes.**

## PROJECT H<sub>2</sub>grOw

Swimming Australia invites new and continuing athletes to track growth, maturation, and swimming performance with Project H<sub>2</sub>grOw. Project H<sub>2</sub>grOw is back again for the 2024/25 season and will be operating during the 2024 Dooleys NSW Junior Metropolitan Championships. The team will be situated on the walk bridge under the main scoreboard. Please keep an eye out for the Project H<sub>2</sub>grOw banner.

**Operating dates:** Saturday 23<sup>rd</sup> to Sunday 24<sup>th</sup> November.

**Operating times:** Saturday and Sunday from 9 am to 3 pm.

**Eligibility:**

- Athletes who have previously been measured by Project H<sub>2</sub>grOw regardless of age (up to 18 years) or how long ago your measurement was (from 2018 to present).
- New athletes – boys aged 10-15 years; girls aged 9-14 years.

**Registration:**

- No documentation is required for continuing participants previously measured.
- New parents and participants will need to read and sign the information and consent forms which can be obtained from Project H<sub>2</sub>grOw researchers on the day, or by requesting the forms at [h2grow@swimming.org.au](mailto:h2grow@swimming.org.au).

**Cost:** There is no financial cost associated with participation in this project.

Swimmers are requested to attend for height, weight and sitting height measurements. Measurements take less than 5 minutes to complete. Parents are invited to attend with their children, but this is not mandatory as long as the signed consent forms have been supplied.

From being involved, you will receive a Project H<sub>2</sub>grOw summary report identifying:

- Your maturational status and stage;
- Your growth tracking history, for those who have participated in previous years and;
- A H<sub>2</sub>grOw time score - which shows how your swim performances scaled based on your relative age and maturity status.

Those who do participate will be invited to an online information session - for swimmers and parents - after the swim event. The online session will explain the benefit of information presented in the summary report and how it can be used by coaches, parents, and athletes.

If you would like to know more, please go to the Project H<sub>2</sub>grOw website or send us an email at [h2grow@swimming.org.au](mailto:h2grow@swimming.org.au).
