## RULES

The Meet will be conducted under SNSW Rules. Heats will be conducted in order of **fastest to slowest**.

The program of events will be finalised before the meet and this program will be final. No reseeding or modifications to lane allocations will be made. If it is deemed that we may be able to reseed due to the withdrawal athletes in 400m, 800m & 1500m events swimmers will be notified by announcement. Athletes may inform SNSW if they are withdrawing from events via [greta.brodie@nsw.swimming.org.au](mailto:greta.brodie@nsw.swimming.org.au)

## ASSISTED SELF-MARSHALLING PROCEDURES

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process. **The fastest heats will report first**.
- In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
  - **four (4) heats prior** to their heat for 50m, 100m and 200m events, except the slowest heat.
    - the **slowest (last) heat** swimmers in 200m, 400m, 800m and 1500m events are required to report to the Help Desk (Clerk of Course) prior to the first heat of the event and be prepared to be allocated to any spare lane that arises in the preceding heats of their event.
    - All other heats in the 400m two (2) heats prior to their heat, and for 800m and 1500m events one (1) prior to their heat.
- The **first heats of sessions** should report **5 minutes prior** to the scheduled start time.
- 400m, 800m and 1500m swimmers or their representatives are requested to confirm their intention to swim or withdraw prior to the start of the session.
- The exact details of the self-marshalling process and where swimmers should be, will be explained at the venue on the day.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to technical officials.
- Swimmers are expected to be at the chair ready for the whistles to start their heat. Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event (This is a guide only to allow the event to flow. Leniency will be employed by Referees whilst this process is initially implemented). If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.

**Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.17.**

All entrants in meets conducted by Swimming New South Wales must abide by and be subject to all the Swimming New South Wales General Rules, Swimming Rules, Open Water Swimming Rules, By-Laws, Policies, and published procedures in accordance with General Rule GR3.2

The certificate must be signed and dated by a Medical Practitioner or Physiotherapist indicating credentials of the medical practitioner and incorporate the period taping is required.
  - Casts and splints supporting a broken bone or other injury, whether fibre glass, plastic or plaster, are **not permitted in competition** – irrespective of whether a Medical Practitioner's note has been presented.

## MEDICAL ISSUES

In the event that an entrant experiences a medical issue whilst competing at, or during a New South Wales Championships, the entrant will be required to provide a medical clearance from a health care professional before being allowed to resume competition at that Championship. The Technical Manager will have the sole authority to adjudicate on this rule. Please refer to GR 3.3.

## STARTING INSTRUCTIONS

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second-long whistle shall bring them back to the starting position with the toes of both feet in contact with the end wall or face of the touchpad.
3. On the command "**Take your marks**", the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.
8. In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

**NOTE:** If, because of the length of the program, "starting over the top" is used, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

GENERAL INFORMATION FOR CLUBS ATTENDING NSW COUNTRY REGIONALS 2023 MEET IN DUBBO

The Dubbo City Swimtech swimming club in partnership with Swimming NSW and Dubbo Regional Council look forward to hosting the NSW Country Regionals 2023 over the 21<sup>st</sup> and 22<sup>nd</sup> January 2023 at the Dubbo Aquatic Leisure Centre.

The following information is provided to clubs to assist in setup, access and general entry to the event.

Clubs requiring access to setup at the facility on Friday 20<sup>th</sup> January and Saturday 21st

Dubbo City Swimtech will be on hand to assist with directing clubs who would like to setup marquees from 6pm on Friday and 7am on Saturday. It would be appreciated if clubs could please contact DCS via email to advise where possible. Dubbo Aquatic Leisure Centre will be open to the public until 8am on Saturday 21st.

Please also consider that the recent weather has brought late afternoon thunderstorms with high winds over the last few days. To this point, Dubbo Aquatic Leisure Centre prohibits the use of ground pegs on the lawn sections of the centre, however will provide buckets and water drums to tether any marquees to the ground during the day and overnight. All clubs are advised to lower and remove from marquees (where possible) to reduce the risk of damage to property.

Parking

Dubbo Aquatic Leisure Centre is situated in Victoria Park which has ample parking areas on the street and within the park boundaries. The diagram below shows these area's in yellow lines. We do advise that the car park at the train station is regularly monitored by Transport for NSW and parking in this location is not advised. At previous large swimming events patrols have been conducted and infringement notices issued.
