No reseeding or modifications to lane allocations will be made, except as outlined below for 400m events and above. ## **Warm Up Procedure**

Warm up will commence 60 minutes prior to each competition session. The competition pool may be used for warm up, until 15 minutes prior to racing commencing. The non-competition end of the competition pool and the utility pool will be in use for the duration of the Championship.

Swimmers must comply with the signage on pool deck regarding the use of the warm up and warm down lanes. Diving will not be permitted unless the signage indicates otherwise. Swimmers should enter feet first, push starts only and observe a “keep left” rule at all times.

Coaches are asked to co-operate in giving every swimmer the best opportunity possible to prepare for their events. Able-bodied swimmers are to not use the lanes indicated as MC swimmer only.

Please be aware of announcements to determine any changes to lane usage throughout the warm up period. Usage may be varied at the discretion of the Technical Manager.

## **Medical Issues**

By entering this event, swimmers (or legal guardian) are declaring that they are fit to compete. In the event that an entrant experiences a medical issue whilst competing at, or during a SNSW Championship, the entrant will be required to provide a medical clearance to the Technical Manager from a health care professional before being allowed to resume competition at that Championship meet. The Technical Manager will have the sole authority to adjudicate on this rule. Please refer to GR 3.3 [here](#).

## **Racing Format**

All events will be conducted as Timed Finals. Heats will be conducted in order of **fastest to slowest**.

The certificate must be signed and dated by a Medical Practitioner or Physiotherapist indicating credentials of the medical practitioner and incorporate the period taping is required.
  - Casts and splints supporting a broken bone or other injury, whether fibre glass, plastic or plaster, are *not permitted in competition* – irrespective of whether a Medical Practitioner’s note has been presented.

## Inclusive Swimwear Policy

A swimmer wishing to wear modified or alternate swimwear is required to present that swimwear to the Technical Manager or Championship Referee prior to the swimmer’s first session of competition. Further information in respect to this policy is available [here](#) and at SNSW Rule GR19 General Swimwear Policy [here](#).

## Pool Deck Access Policy

SNSW recognises that, from time to time, various people have the need to access the field of play during Championships. By necessity, access to this area is restricted and only persons authorised by SNSW are permitted access.

Authorised personnel includes but is not limited to:

- Appointed Technical Officials & Volunteers (*must have a valid WWCC*)
- Swimmers who are entered in events of the Championships
- Accredited Coaches who meet the requirements listed below
- Support Staff who have been approved by SNSW (*must have a valid WWCC*)- including approved Para Swimmer (MC) Support Persons (must have event accreditation pass with them at all times)
- SNSW staff
- Security personnel and venue lifeguards
- Media personnel (*must have a valid WWCC*)
- SNSW invited guests

**The Swimmers’ change rooms/toilets are part of the “Field of Play” and are out of bounds for non-swimmers, including officials and coaches.**

The granting, controlling, and monitoring of the physical access to the pool deck and the area of competition is important to the safety of persons authorised.

**Coaches must meet the requirements of the [Coaching Pool Deck Access Policy](#), which requires them to:**

- a)** Hold a current valid membership with SCTA (Swim Coaches & Teachers Australia)
- b)** Have completed the SNSW Championship accreditation via Swim Central
- c)** Have a current & valid Working with Children Check (WWCC)

Individuals that require pool access to assist swimmers in the event that their Club coach cannot attend, or they do not have a Club coach, may apply to SNSW to be granted pool deck access by contacting SNSW and applying for a support pass. A valid WWCC is required.

Sport Science staff and Team managers (where applicable) may apply to SNSW prior to the championships and must display their pool deck accreditation at all times. **This access privilege may be revoked at any time by the Board, its authorised representatives, or the Technical Manager.**

### **Pool Deck & Field of Play**

At all times during competition at this meet the pool deck must be kept clear of swimmers & their equipment. Swimmers are only permitted to be in the competition area if marshalling or competing or speaking to their coach.

When swimmers are not competing, they and their belonging must be located behind the barriers in the warmup area (but not obstructing access for Coaches and swimmers using the warmup pool) or in the appropriate Grandstand.

Only permitted persons (swimmers, coaches, approved support staff and Technical Officials) will be permitted to be on pool deck and in the warmup area.

Accordingly, the SNSW Field of Play Policy will be strictly applied at this swim meet.

### **No Photography**

In accordance with Sport Integrity Australia Guidelines, no photography can be taken poolside by any person except the official event photographers. This is to manage a safe sporting environment for our children and athletes. Further action may be taken which could result in being reported to Sports Integrity Australia and asking for the photo to be deleted.
