RULES

The Meet will be conducted under SNSW Rules. Heats will be conducted in order of **fastest to slowest**.

The program of events will be finalised before the meet and this program will be final. No reseeding or modifications to lane allocations will be made, except as outlined below for 400m events and above. A copy of the program will be placed on the Swimming NSW website prior to the meet. Meet Mobile will also have these details on the day of competition. If it is deemed that we may be able to reseed due to the withdrawal swimmers in 400m, 800m & 1500m events swimmers will be notified by announcement. Swimmers may inform SNSW if they are withdrawing from events via events@nsw.swimming.org.au

ASSISTED SELF MARSHING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Call Room Supervisor in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process.
 - **The fastest heats will report first.**
- In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
 - **four (4) heats prior** to their heat for 50m, 100m and 200m events except the slowest heat.
 - the **slowest (last) heat** swimmers in 200m, 400m, 800m and 1500m events are required to report to the Help Desk (Clerk of Course) prior to the first heat of the event and be prepared to be allocated to any spare lane that arises in the preceding heats of their event.
 - All other heats in the 400m two (2) heats prior to their heat, and for 800m and 1500m events one (1) prior to their heat.
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.
- 400m, 800m and 1500m swimmers or their representatives are requested to confirm their intention to swim or withdraw prior to the start of the session via the QR code.
- Swimmers who will be competing in the fastest heat of the 800m & 1500m Timed Finals, these events will be swum in the evening finals session. Swimmers are still required to confirm their intention to swim for these events in the **morning heats session** prior to the morning heats of their event being swum. This must be done via the QR code. Failure to marshal during the heats will result in withdrawal from the final.
- The first heat of each session should report 5 minutes before the scheduled commencement of the session.
- There will be chairs behind the timekeepers at the start end.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to technical officials.
- Swimmers are expected to be at the chair ready for the whistles to start their heat. Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event. If they miss their heat, they need to alert a technical official and they will be placed in a spare lane if it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have a Call Room Supervisor (Technical officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Swimmers, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.

Swimmers will leave clothing so that it is able to be collected without re-entering the competition area after their event. (On or over main and warm up pool diving fence)

- Swimmers exiting the pool after events will move to the swim down pool via designated exits and the rear corridors. One exit is located near the Coaches Room, another on the start side near the walkway exit and two exits in the warm-up pool fencing behind the start area.
- Relay teams (if applicable to this event) are expected to know their heat, lane and order. They are expected to be ready to line up in the marshalling chute when called and leave the pool deck as soon as they complete their swim.

TEAM MANAGERS, COACHES & ATHLETES

We will be utilising a WhatsApp group to communicate important information throughout the course of the championships. Can team managers, coaches and athletes please register for the WhatsApp group here.

FINALS

Finalists and Reserves wishing to withdraw from a final shall do so in writing and signed by the swimmer or his/her authorised representative within thirty (30) minutes following the posting of the results of the event within which the qualification took place.

A swimmer or relay team not having withdrawn as per above and does not compete in the event shall be deemed to be a late withdrawal except where there are deemed to be medical reasons or proven hardship and the swimmer or relay teams club shall be fined the sum of one hundred dollars (\$100). The board shall determine the acceptability on all matters where medical reasons or hardships are claimed, and its determination shall be final.

FINALS FORMAT:

Finals will be determined in the following manner:

For Able-Bodied Events:

For 50m, 100m, 200m and 400m events:

- a)** The top ten (10) fastest swimmers overall from the heats (regardless of club or university entry) will compete in the 'A' Final.
- b)** The next fastest ten (10) swimmers from the heats (regardless of club or university entry) will compete in the 'B' Final

Where less than twenty five (25) swimmers contest in the heat of an event, the ten (10) fastest swimmers from all heats will comprise the 'A' final and there will be no B final.

For Multi-Class Events:

There will be one (1) final for multi-Class events. Each Multi Class Final will consist of a maximum of ten (10) swimmers. The Final will be filled with the top (10) swimmers based on the highest Para scoring points.

Where there are less than 10 entries in a multi-class event, **swimmers must compete in the heat to be eligible to swim in the final of that event.**

MEDALS

- At this event, medals will be awarded to the top three (3) club swimmers in addition to the top three (3) University swimmers from the Finals, with 'A' Finals competitors taking precedence over 'B' Finalists. For example, if there are two university competitors in the 'A' Final, they will receive the UniSport gold and silver medals in order of their finishing position. The bronze medal will be awarded to the first-place finisher in the 'B' final.
- Top 3 swimmers from each event upon the announcement of results may present to the medal table to collect their medals during the session.
- Top 10 finalist can collect finalist ribbons from the medal table. Please ensure Finalist Ribbons are collected before the completion of the session in which they are achieved - Ribbons will not be mailed out.

An official podium will be set up on the bridge, where parents and friends may take photos of their swimmers with their medals.

RELAY MEDALS

Both Clubs and Universities are permitted to compete in relays at this event, however medals will only be awarded to university teams.

MULTI-CLASS (MC) SWIMMERS

MC swimmers competing in able bodied events are required to report with their classification card to the Referee prior to each Session, where their exceptions have not already been submitted with their entries.

Each Support Staff member for MC swimmers must wear their Pool Deck Accreditation tag while in the Marshalling Area, and on Pool Deck. Support Staff must comply with the applicable SNSW Multi Class rules when they are on deck.

BACKSTROKE LEDGES

Backstroke Ledges will be used during this Meet. A swimmer is not required to use the Ledge for the start of a backstroke race. The ledges will be set to "0" (zero) by the Inspector of Turns and it will be swimmer's responsibility to adjust the ledge, and to make sure that it is locked in place after this adjustment.

INCLUSIVE SWIMWEAR POLICY

A swimmer wishing to wear modified or alternate swimwear is required to present that swimwear to the Technical Manager or Meet Referee prior to the swimmer's first session of competition. Further information in respect to this policy is available at <http://www.swimming.org.au/inclusion> and at SNSW Rule GR19 General Swimwear Policy.

In the event that an entrant experiences a medical issue whilst competing at, or during a New South Wales Championships, the entrant will be required to provide a medical clearance from a health care professional before being allowed to resume competition at that Championship. The Technical Manager will have the sole authority to adjudicate on this rule. Please refer to GR 3.3.

 - Casts and splints supporting a broken bone or other injury, whether fibre glass, plastic or plaster, are **not permitted in competition** – irrespective of whether a Medical Practitioner's note has been presented.

POOL DECK & FIELD OF PLAY

At all times during competition at this meet the pool deck must be kept clear of swimmers & their equipment. Swimmers are only permitted to be in the competition area if marshalling or competing or speaking to their coach.

When swimmers are not competing, they and their belonging must be located behind the barriers in the warmup area (but not obstructing access for Coaches and swimmers using the warmup pool) or in the appropriate Grandstand.

Only permitted persons (swimmers, coaches, approved support staff and Technical Officials) will be permitted to be on pool deck and in the warmup area.

Accordingly, the Swimming NSW Field of Play Policy will be strictly applied at this swim meet.

POOL DECK ACCESS POLICY

Swimming New South Wales Ltd recognises that, from time to time, various people have the need to access the field of play during swim meets. By necessity, access to this area is restricted and only persons authorised by Swimming New South Wales are permitted access.

Authorised personnel includes but is not limited to:

- Appointed Technical Officials & Volunteers (*must have a valid WWCC*)
- Swimmers who are entered in events of the swim meet
- Accredited Coaches who meet the requirements listed below
- Support Staff who have been approved by Swimming NSW (*must have a valid WWCC*)- including approved Multi-Class Support Persons (must have event support pass with them at all times)
- Swimming NSW Staff
- Security personnel and venue lifeguards
- Media personnel
- Swimming NSW invited guests

The Swimmers' change rooms/toilets are part of the "Field of Play" and are out of bounds for non-swimmers, including parents and coaches.

The granting, controlling, and monitoring of the physical access to the pool deck and the area of competition is important to the safety of persons authorised.

Coaches must meet the requirements of the new [Coaching Pool Deck Access Policy](#), which requires them to:

- a) Hold a current valid membership with SCTA (Swim Coaches & Teachers Australia)
- b) Have completed the NSW Meet Accreditation in Swim central
- c) Have a current & valid Working with Children Check

Individuals that require pool access to assist swimmers in the event that their Club coach cannot attend, or they do not have a Club coach, may apply to Swimming NSW to be granted pool deck access by contacting Swimming NSW and applying for a support pass. A WWCC is required.

Sport Science staff and Team managers may apply to Swimming New South Wales prior to the meet and must display their pool deck accreditation at all times.

This access privilege may be revoked at any time by the Board, its authorised representatives, or the Technical Manager.

STARTING INSTRUCTIONS

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second-long whistle shall bring them back to the starting position with the toes of both feet in contact with the end wall or face of the touchpad.
3. On the command **"Take your marks"**, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.
8. In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

NOTE: If, because of the length of the program, "starting over the top" is used, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

WARM-UP PROCEDURES

Warm up will commence 90 minutes before the advertised commencement of the session. The main competition pool will be cleared 15 minutes prior to the advertised start time of the session. The utility pool will be available for warm up and swim down until the end of the session. Coaches are asked to co-operate in giving every competitor the best opportunity possible to prepare for their events.

Please consult the following Warm up Procedure Information and be aware of announcements to determine lane usage throughout the warm up period. Usage may be varied at the discretion of the Technical Manager.

Maximum of Ten (10) Swimmers per lane at any one time

COMPETITION POOL

In the interest of swimmers safety, the following general pool procedures for the MAIN COMPETITION POOL must be observed throughout the meet: All lanes in the Main Competition Pool, with the exception of lanes 0 & 9 are NO DIVING lanes, with entry to the lane "feet first, from a sitting position". Swimmers can only push start, and should observe a "keep left" rule at all times.

SOUTHERN END

Lanes 0 & 9 (southern end) are reserved throughout the whole of the warm up period for dive sprints and walk backs. Swimmers must clear the lane immediately, and must use caution when doing a Backstroke start. The usage of Lanes 1 & 8 will change. Up until 15 minutes before the end of Warm Up they are reserved as circle swimming lanes. For the last 15 minutes they are reserved for dive sprints and walk backs and turn practice as per the Lane 0 & 9 instructions. Lanes 2 and 7 are reserved throughout the whole of the warm up period as Race Pace Lanes. Lanes 3 to 6 are designated for the duration of the meet as circle swimming lanes.

NORTHERN END

Lanes 0 & 9 (northern end) are reserved throughout the whole of the warm up period for Turns Only. The usage of Lanes 2 & 7 are designated as Race Pace Lanes and Lanes 3 to 6 as Circle Only for the duration of the meet.

DIVING POOL

In the interest of swimmers safety, the following general pool procedures for the UTILITY POOL must be observed throughout the meet:

All lanes in the Utility Pool with the exemptions of Lanes 0 & 1 are NO DIVING lanes, with entry to the lane "feet first, from a sitting position". Swimmers can only push start and should observe a "keep left" rule at all times.

Lanes 0 & 1 are designated for the duration of warm up to being 25m Dive Sprints one-way (walk back) lanes. There is to be no entry from the western end of the pool into these lanes. Swimmers should clear the lanes immediately.

Lanes 2 and 3 are designated for the duration of the meet for Race Pace work only. There is to be no entry from the western end of the pool into lanes 2 and 3. Swimmers should clear the lane immediately.

Lanes 4 - 11 are designated for the duration of the meet as circle swimming lanes.

We will be monitoring the use of these lanes.
