ASSISTED SELF MARSHING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- For Heats, Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process. **The fastest heats will report first.**
In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
 - **four (4) heats prior** to their heat for 50m, 100m and 200m events.
 - For events 400m and more, **two (2) heats prior** to their event.
- The **first heats of sessions** should report **5 minutes prior** to the scheduled start time.
- For **Finals Sessions**, swimmers must report two events prior, as per traditional marshalling
- There will be chairs behind the timekeepers (100m, 200m, 400m, 800m and 1500m Events) at the start end and chairs put behind the starting blocks at the bridge end of the pool (50m Events).
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
- Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event (This is a guide only to allow the event to flow. Leniency will be employed by Referees whilst this process is initially implemented). If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.
- Swimmers will need to leave any clothing so that it is able to be collected without re-entering the competition area after their event. In the finals session, baskets will be available to drop clothing/items in and will be collected by the basket handlers, except for 50m events and relays.
- Swimmers exiting the pool after events will move to the swim down pool via designated exits
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition. **Where events are Timed Finals and the fastest heat is to be swum in the Finals session, ALL swimmers must advise the Call Room Supervisor of their intention to swim by the close of marshalling for that event during the Heats session.**

WITHDRAWALS

Heats

Swimmers who fail to report to the Clerk of Course by the specified time shall be a withdrawal.

Finals

Finalists and Reserves wishing to withdraw from a final shall do so in writing and signed by the swimmer or his/her authorised representative within thirty (30) minutes following the posting of the results of the event within which the qualification took place.

A swimmer or relay team not having withdrawn as per above and does not compete in the event shall be deemed to be a late withdrawal except where there are deemed to be medical reasons or proven hardship and the swimmer or relay teams club shall be fined the sum of one hundred dollars (\$100). The board shall determine the acceptability on all matters where medical reasons or hardships are claimed, and its determination shall be final.

FINALS FORMAT:

Finals will be determined in the following manner:

For Able-Bodied Events:

For 50m, 100m, 200m and 400m events:

- a) The top ten (10) fastest swimmers overall from the heats (regardless of club or university entry) will compete in the 'A' Final.
- b) The next fastest ten (10) swimmers from the heats (regardless of club or university entry) will compete in the 'B' Final

Where less than twenty five (25) swimmers contest in the heat of an event, the ten (10) fastest swimmers from all heats will comprise the 'A' final and there will be no B final.

The 800m and 1500 Freestyle Events will be swum as timed finals with the fastest heat swum in the final's session. Competitors in these events must confirm their intention to swim at the time of marshalling during the heat's session.

For Multi-Class Events:

There will be one (1) final for multi-Class events. Each Multi Class Final will consist of a maximum of ten (10) swimmers. The Final will be filled with the top (10) swimmers based on the highest Para scoring points.

Where there are less than 10 entries in a multi-class event, swimmers must compete in the heat to be eligible to swim in the final of that event.

RELAYS

Should you wish to make any changes to your relay team, an updated relay form must be submitted to the Chief Recorder on race day prior to the start of the session in which the event will be contested. If you are adding new swimmers, you must include their DOB. Relay forms are not required if you are not making any changes.

- Relay Programs will be available in the Coaches Room & the Recording Room
