

How to add my clubs ABN into Swim Central

Why does my club need an ABN?

In Australia, small businesses are not required to hold an ABN. However, in Swim Central the payment gateway in use, Stripe, is an international gateway and to access all the benefits you are required to register an ABN with them.

If your club doesn't already have an ABN, you can apply for one quickly & easily here:

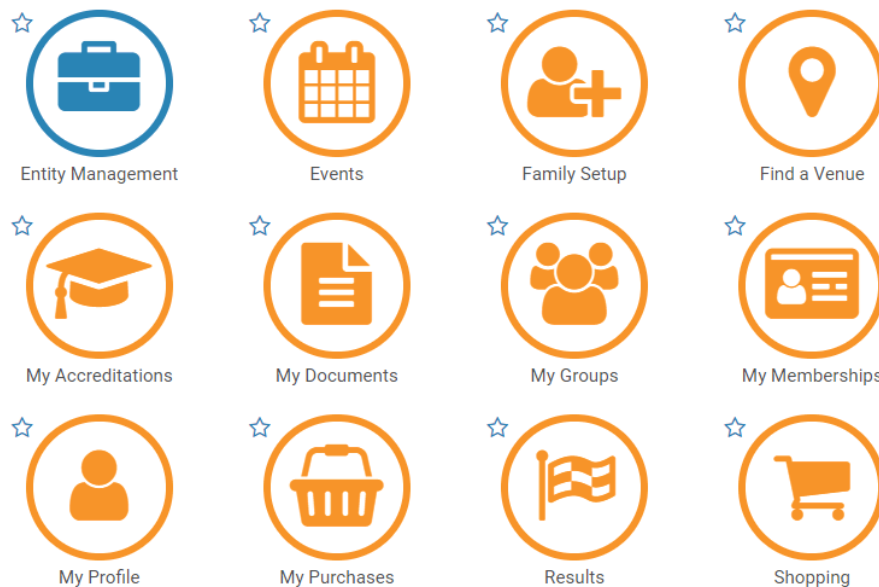

<https://abr.business.gov.au/ContactUs/Apply>

Once your club has an ABN, it must be added into Swim Central.

See below for how to do this.

Log-in to Swim Central & click on **Entity Management**
