Calling all junior swimmers – the State Based National Age Challenge is back!

NSW Junior State Age Championships is a State Based National Age Challenge event!

The State Based National Age Challenge, which is designed for girls and boys (11-14 years old), is an exciting and fresh concept that will encourage swimmers and their coaches to prepare for meaningful competition at the conclusion of the long course season, and will be used as a steppingstone in their journey in the sport.

Recognising the change in national age bands throughout the swimming program, the State Based National Age Challenge gives younger swimmers who are not yet eligible to compete at National Age Championships the opportunity to compete at state competitions and acquire a national virtual ranking in events – allowing them to see where they're positioned against competitors from around the country.

The Challenge will be piloted in all states across March and April. Following the conclusion of all seven state-run meets in mid April, Swimming Australia will create a national ranking which will be recognised and celebrated on Swimming Australia's website.

The ten eligible events include:

50m, 100m and 200m freestyle
50m and 100m backstroke
50m and 100m breaststroke
50m and 100m butterfly
200m individual medley

Swim your best this weekend competitors and have fun! Let's show Australia what the Mighty Blues are made of.
