Leave	e Program 🕸	Setup Products

A list of eligible products for voucher purchases be listed. *To be considered an eligible product for purchase with a voucher, the product must adhere to the following rules:* 

1. the product must have an overlapping age range of eligibility with the voucher program age range

2. the product must have an overlapping period of validity (program start to program expiry)

Click the Toggle link icon <sup>b</sup> next to the product to allow this product to be purchased with a government voucher. A green tick <sup>o</sup> will appear to the left of the product to indicate that it has been set to eligible. Products with a green tick in the 'Avail.' column show which products have been set to available in the product catalogue, too. This means that the product is can be seen and will be available for purchase.
