MARSHALLING PROCEDURES

Any swimmer who fails to report personally to the Clerk of Course at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered may be deemed to be withdrawn. It is permissible for a swimmer's representative to report to the Clerk of Course on their behalf. Where a swimmer has difficulty in reporting to the Clerk of Course by the required time, it is recommended that their representative report to the Clerk of Course on their behalf prior to the event closing. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Clerk of Course. All heats shall be deemed to be one event for the purpose of this rule (including heats of 800 metres and 1500 metre freestyle).

For Example: If entered in Event 9, the swimmer must have personally reported to the Clerk of Course **before the start of** the first heat of Event 7.

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.17.

In the event of there being sufficient withdrawals from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

All entrants in meets conducted by Swimming New South Wales must abide by and be subject to all the Swimming New South Wales General Rules, Swimming Rules, Open Water Swimming Rules, By-Laws, Policies, and published procedures in accordance with General Rule GR3.2

WITHDRAWALS

Swimmers who fail to report to the Clerk of Course by the specified time shall be a withdrawal.

CONDITION OF ENTRY

It is a condition of entry to all Swimming New South Wales conducted meets; that all Entry Times are able to be verified, in accordance with the Swimming New South Wales procedures. It is the responsibility of the Club to ensure that these times are able to be verified.

Should a swimmer swim slower than the qualifying time in a Swimming New South Wales conducted meet and the qualifying time of the participant is not able to be verified, then the swimmer will be fined in accordance with Swimming New South Wales General Rule GR7.

Multi Class Events (MC)

All MC events at Swimming New South Wales Championship meets will be conducted as per SNSW Championship rules incorporating the relevant World Para Swimming (WPS) rules as adopted by SNSW.

New Classifications Recognising Intellectual Impairment

Swimming New South Wales are excited to welcome athletes to our Multi-Class Meet #2, who will be competing in the newly introduced S18 and S19 classifications. At this meet, Swimmers with Down syndrome and formally diagnosed high functioning autism, will be competing under these new classifications, many for the first time. Although swimmers from varying backgrounds and abilities have always been welcome at Swimming NSW Multi-Class meets, this event is significant, with formal recognition of intellectual impairments via Swimming Australia's classification system bringing athletes further into the Swimming NSW club pathway.

A world leader in Multi-Class inclusion in sport, Swimming Australia is the only sport national governing body in the country to recognise and include the S19 intellectual impairment classification. This is a notable development in the Multi-Class pathway for athletes with an intellectual impairment, with many doors now open for meaningful advancement along the competitive pathway, from club night to Australian Age Championships.

For athletes with an intellectual impairment who are striving for international racing opportunities, Australia is hosting the Virtus Oceania Asia Games in Brisbane – 5-11 November 2022. For more information go to:

<https://sportinclusionaustralia.org.au/oagames-2022/>

New Classifications

- **S18 – Significant Other Impairment** – athletes with Down syndrome who have a diagnosis of Trisomy 21 or Translocation Down syndrome; also athletes with intellectual disability who have satisfied the S14 eligibility criteria and FAST test requirements.
- **S19 – High Functioning Autism** – athletes with a formal diagnosis of Autism, ASD or Asperger's syndrome and a full scale IQ score above 75 or no intellectual disability.

Is this you? Are you yet to be formally classified as an S18 or S19 Athlete?

If you are new to Multi-Class swimming and have an intellectual (or physical) impairment and have not been formally classified or are currently classified as an S14 and may eligible to be reclassified as an S18 or S19 athlete, reach out to Sport Inclusion Australia.
