

# 2025 NSW COUNTRY REGIONALS: GRIFFITH

**MEET PROGRAM:  
18TH & 19TH JANUARY**

**GRIFFITH REGIONAL AQUATIC LEISURE CENTRE**

**Swimming NSW acknowledges the Wiradjuri people as the Traditional Custodians of the land on which we meet today. We pay our respects to their Elders past, present and emerging. We extend that respect to Aboriginal & Torres Strait Islander peoples here today.**

Swimming NSW is proud to showcase the stunning Indigenous artwork *Water Dreaming* by Rex Winston across all three NSW Country Regional events, this artwork is featured through the event program. By featuring this artwork, we honour and celebrate the richness of Indigenous culture within our regions, fostering unity and respect through art and sport.

### **Rex Winston: "Water Dreaming"**

Indigenous artist Rex Winston's *Water Dreaming* captures the beauty and significance of rain within the cycles of life. Part of his *Water Dreaming* series, the artwork reflects the patterns of raindrops on water, embodying simplicity, renewal, and connection to nature.

"Rain is part of the life-giving cycles of water, essential to all life," Rex shares. "It reflects the beauty of the natural world and the simplicity of its patterns. Rain symbolizes renewal—washing away the old, bringing new growth and hope."

The artwork's rippling patterns evoke the serenity of rainfall and its transformative power, reminding us of nature's interconnected cycles. For many Indigenous cultures, water is sacred—a source of life, regeneration, and optimism.

Through *Water Dreaming*, Rex Winston honours this connection, offering a visual celebration of renewal, growth, and the enduring beauty of the natural world.

## ASSISTED SELF-MARSHALLING PROCEDURES

- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Call Room Supervisor in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process. **The fastest heats will report first.**
- In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
  - **four (4) heats prior** to their heat for 50m, 100m and 200m events, except the slowest heat.
    - the **slowest (last) heat** swimmers in 200m, 400m, 800m and 1500m events are required to report to the Help Desk (Clerk of Course) prior to the first heat of the event and be prepared to be allocated to any spare lane that arises in the preceding heats of their event.
    - All other heats in the 400m two (2) heats prior to their heat, and for 800m and 1500m events one (1) prior to their heat.
- The **first heats of sessions** should report **5 minutes prior** to the scheduled start time.
- 400m, 800m and 1500m swimmers or their representatives are requested to confirm their intention to swim or withdraw prior to the start of the session.
- The exact details of the self-marshalling process and where swimmers should be, will be explained at the venue on the day.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to technical officials.
- Swimmers are expected to be at the chair ready for the whistles to start their heat. Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event (This is a guide only to allow the event to flow. Leniency will be employed by Referees whilst this process is initially implemented). If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.

### STARTING INSTRUCTIONS

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second-long whistle shall bring them back to the starting position with the toes of both feet in contact with the end wall or face of the touchpad.
3. On the command **"Take your marks"**, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.
8. In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

**NOTE:** If, because of the length of the program, "starting over the top" is used, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

**ELIGIBILITY TO SWIM**
