If it is deemed that we may be able to reseed due to the withdrawal athletes in 400m, 800m & 1500m events swimmers will be notified by announcement. Athletes may inform SNSW if they are withdrawing from events via [meet.entries@nsw.swimming.org.au](mailto:meet.entries@nsw.swimming.org.au)

## ASSISTED SELF MARSHING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Help-Desk Clerk in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process.
  - **The fastest heats will report first.**
- In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
  - **four (4) heats prior** to their heat for 50m, 100m and 200m events except the slowest heat.
  - the **slowest (last) heat** swimmers in 200m, 400m, 800m and 1500m events are required to report to the Help Desk (Clerk of Course) prior to the first heat of the event and be prepared to be allocated to any spare lane that arises in the preceding heats of their event.
  - All other heats in the 400m two (2) heats prior to their heat, and for 800m and 1500m events one (1) prior to their heat.
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.
- 400m, 800m and 1500m swimmers or their representatives are requested to confirm their intention to swim or withdraw prior to the start of the session.
- The first heat of each session should report 5 minutes before the scheduled commencement of the session.
- There will be chairs behind the timekeepers at the start end.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to technical officials.
- Swimmers are expected to be at the chair ready for the whistles to start their heat. Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event. If they miss their heat, they need to alert a technical official and they will be placed in a spare lane if it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have a Help Desk-Clerk (Technical officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.

**RULES CONTINUED...**

- Swimmers will leave clothing so that it is able to be collected without re-entering the competition area after their event. (On or over main and warm up pool dividing fence)
- Swimmers exiting the pool after events will move to the swim down pool via designated exits and the rear corridors. One exit is located near the Coaches Room, another on the start side near the walkway exit and two exits in the warm-up pool fencing behind the start area.
- Relay teams (if applicable to this event) are expected to know their heat, lane and order. They are expected to be ready to line up in the marshalling chute when called and leave the pool deck as soon as they complete their swim.

**MULTI-CLASS (MC) SWIMMERS**

MC swimmers competing in able bodied events are required to report with their classification card to the Referee prior to each Session, where their exceptions have not already been submitted with their entries.

Each Support Staff member for MC swimmers must wear their Pool Deck Accreditation tag while in the Marshalling Area, and on Pool Deck. Only permitted persons (athletes, coaches, approved support staff and Technical Officials) will be permitted to be on pool deck and in the warmup area.

Accordingly, the Swimming NSW Field of Play Policy will be strictly applied at this swim meet.

**MEDICAL ISSUES**

By entering this event, competitors (or legal guardian) are declaring that they are fit to compete. In the event that an entrant experiences a medical issue whilst competing at, or during a New South Wales Championships, the entrant will be required to provide a medical clearance from a health care professional before being allowed to resume competition at that Championship. The Technical Manager will have the sole authority to adjudicate on this rule. Please refer to GR 3.3.
