RULES

The Meet will be conducted under SNSW Rules. Heats will be conducted in order of **fastest to slowest**.

This program of events is final. No reseeding or modifications to lane allocations will be made, except as outlined below for 400m events and above. If it is deemed that we may be able to reseed due to the withdrawal athletes in 400m, 800m & 1500m events swimmers or their representatives will be called to the Recording Room and informed of this. Athletes will be encouraged to inform SNSW if they are withdrawing via meet.entries@nsw.swimming.org.au

ASSISTED SELF MARSHING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process. **The fastest heats will report first.**

In order to avoid congestion and ensure social distancing, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks

 - **four (4) heats prior** to their heat for 50m, 100m and 200m events.
 - For events 400m and more, **two (2) heats prior** to their event.
- The **first heats of sessions** should report **5 minutes prior** to the scheduled start time.
- There will be chairs behind the timekeepers (100m, 200m, 400m, 800m and 1500m Events) at the start end and also chairs put behind the starting blocks at the bridge end of the pool (50m Events).
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
- Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event (This is a guide only to allow the event to flow. Leniency will be employed by Referees whilst this process is initially implemented). If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.

ASSISTED SELF MARSHALING CONTINUED....

- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.
- Swimmers will need to leave any clothing so that it is able to be collected without re- entering the competition area after their event.
- Swimmers exiting the pool after events will move to the swim down pool via designated exits and the rear corridors shown on the pool layout map below.
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.

We look forward to your assistance and cooperation in making this change a success and that it will benefit the performance of our athletes.

MULTI-CLASS (MC) SWIMMERS

MC swimmers competing in able bodied events are required to report with their classification card to the Referee prior to each Session, where their exceptions have not already been submitted with their entries for the MC events on the program.

Each Support Staff member for MC swimmers must wear their Pool Deck Accreditation tag while in the Marshalling Area, and on Pool Deck. Support Staff must comply with the applicable SNSW Multi Class rules when they are on deck.

BACKSTROKE LEDGES

Backstroke Ledges will be used during this Meet. A swimmer is not required to use the Ledge for the start of a backstroke race.

The ledges will be set to "0" (zero) by the Inspector of Turns and it will be swimmer's responsibility to adjust the ledge, and to make sure that it is locked in place after this adjustment.

- The following uses of tape are **generally permitted** in competition and **advanced notification to the Technical Manager is recommended**:
 - a. Wound protection and closure.
 - Band-Aids, dressings, "Butterfly" type, etc. are normally permitted **with no advanced notification to the Technical Manager**.

The certificate must be signed and dated by a Medical Practitioner or Physiotherapist indicating credentials of the medical practitioner and incorporate the period taping is required.
- Casts supporting a broken bone or other injury, whether fibre glass, plastic or plaster, are **not permitted in competition** – irrespective of whether a Medical Practitioner’s note has been presented.

STARTING INSTRUCTIONS

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second-long whistle shall bring them back to the starting position with the toes of both feet in contact with the end wall or face of the touchpad.
3. On the command **“Take your marks”**, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.
8. In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

NOTE: If, because of the length of the program, “starting over the top” is used, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

Warm up will commence 90 minutes before the advertised commencement of the session. The main competition pool will be cleared 15 minutes prior to the advertised start time of the session. The utility pool will be available for warm up and swim down until the end of the session. Coaches are asked to co-operate in giving every competitor the best opportunity possible to prepare for their events.

Calling all junior swimmers – the State Based National Age Challenge is back!

NSW Junior State Age Championships is a State Based National Age Challenge event!

The State Based National Age Challenge, which is designed for girls and boys (11-14 years old), is an exciting and fresh concept that will encourage swimmers and their coaches to prepare for meaningful competition at the conclusion of the long course season, and will be used as a steppingstone in their journey in the sport.

Recognising the change in national age bands throughout the swimming program, the State Based National Age Challenge gives younger swimmers who are not yet eligible to compete at National Age Championships the opportunity to compete at state competitions and acquire a national virtual ranking in events – allowing them to see where they're positioned against competitors from around the country.

The Challenge will be piloted in all states across March and April. Following the conclusion of all seven state-run meets in mid April, Swimming Australia will create a national ranking which will be recognised and celebrated on Swimming Australia's website.

The ten eligible events include:

50m, 100m and 200m freestyle
50m and 100m backstroke
50m and 100m breaststroke
50m and 100m butterfly
200m individual medley

Swim your best this weekend competitors and have fun! Let's show Australia what the Mighty Blues are made of.

Project H2grOw is back!

Swimming Australia invites new and continuing athletes to track their maturation and swimming performance with Project H2grOw at this weekend's NSW Junior State Age Championships. The team will be situated in the Lorraine Crapp room located opposite to the parent's grandstand on the ground floor. Keep an eye out for the orange H2grow banner on pool deck! Swimmers are requested to attend for height and weight measurements on Saturday or Sunday between 8:30 am and 3 pm. Measurements take less than 5 minutes to complete and participation in the project is free. Due to COVID safety plans, parents are asked not to accompany swimmers.

For more information, go to the [Project H2grOw website](#).

SWIM LEAGUE IS BACK!

The 2021 Swim League season will be bigger and better than ever with 30 teams competing from 10 regions across NSW, all in Swim League's thrilling 60-minute competition format!

From May to July each team will have a chance to compete in 3 Rounds in their Region. And just when you think it couldn't get any bigger, we take Swim League action into overdrive with playoffs in August and State Finals in September.

With no qualifying times needed to take part and no official timing on the day, Swim League has taken the pressure out of swimming competitions.

Swimmers have a chance to try out exciting new non-traditional events. And the best part is, you don't need to be a member of a club to take part.

There's only a one-off cost to register – this includes entry to all Swim League events and a team cap and shirt so you can represent your team with pride.

Join the revolution at www.swimleague.com.au and follow @swimleagueaus on Facebook and Instagram to keep up with the action.
