RULES

The Meet will be conducted under SNSW Rules. Heats will be conducted in order of **fastest to slowest**. **This is the opposite to the normal order at SNSW events.**

This program of events is final. No reseeding or modifications to lane allocations will be made, except as outlined below for 400m events and above. If it is deemed that we may be able to reseed due to the withdrawal athletes in 400m, 800m & 1500m events swimmers or their representatives will be called to the Recording Room and informed of this. Athletes will be encouraged to inform SNSW if they are withdrawing via meet.entries@nsw.swimming.org.au

ASSISTED SELF MARSHING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process. **The fastest heats will report first.**
In order to avoid congestion and ensure social distancing, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
 - **four (4) heats prior** to their heat for 50m, 100m and 200m events.
 - For events 400m and more, **two (2) heats prior** to their event.
- The **first heats of sessions** should report **5 minutes prior** to the scheduled start time.
- There will be chairs behind the timekeepers (100m, 200m, 400m, 800m and 800m Events) at the start end and also chairs put behind the starting blocks at the bridge end of the pool (50m Events).
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
- Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event (This is a guide only to allow the event to flow. Leniency will be employed by Referees whilst this process is initially implemented). If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.

ASSISTED SELF MARSHALING CONTINUED....

- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.
- Swimmers will need to leave any clothing so that it is able to be collected without re- entering the competition area after their event.
- Swimmers exiting the pool after events will move to the swim down pool via designated exits and the rear corridors shown on the pool layout map below.
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.

We look forward to your assistance and cooperation in making this change a success and that it will benefit the performance of our athletes.

MULTI-CLASS (MC) SWIMMERS

MC swimmers competing in able bodied events are required to report with their classification card to the Referee prior to each Session, where their exceptions have not already been submitted with their entries for the MC events on the program.

Each Support Staff member for MC swimmers must wear their Pool Deck Accreditation tag while in the Marshalling Area, and on Pool Deck. Support Staff must comply with the applicable NSW Multi Class rules when they are on deck.

BACKSTROKE LEDGES

Backstroke Ledges will be used during this Meet. A swimmer is not required to use the Ledge for the start of a backstroke race.

The ledges will be set to "0" (zero) by the Inspector of Turns and it will be swimmer's responsibility to adjust the ledge, and to make sure that it is locked in place after this adjustment.

The certificate must be signed and dated by a Medical Practitioner or Physiotherapist indicating credentials of the medical practitioner and incorporate the period taping is required.

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second-long whistle shall bring them back to the starting position with the toes of both feet in contact with the end wall or face of the touchpad.
3. On the command **“Take your marks”**, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.
8. In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

NOTE: If, because of the length of the program, “starting over the top” is used, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

Warm up will commence 90 minutes before the advertised commencement of the session. The main competition pool will be cleared 15 minutes prior to the advertised start time of the session. The utility pool will be available for warm up and swim down until the end of the session. Coaches are asked to co-operate in giving every competitor the best opportunity possible to prepare for their events.

Swimming New South Wales Ltd recognises that, from time to time, various people have the need to access the field of play during swim meets. By necessity access to this area is restricted and only persons authorised by Swimming New South Wales are permitted access.

Authorised personnel includes but is not limited to:

- Appointed Technical Officials & Volunteers (*must have a valid Working with Children Check*)
- Swimmers who are entered in events of the swim meet
- Accredited Coaches who are current members of ASCTA
- Parent or Career for Multi-Class Swimmers who has been approved by Swimming NSW Staff (*must have a valid Working with Children Check*)
- SNSW Staff
- Security personnel and venue lifeguards

All of whom require physical access to pool deck and the area of competition as part of their function.

The Swimmers' change rooms/toilets are part of the "Field of Play" and are out of bounds for non-swimmers, including parents and coaches. For further clarification, please refer to the Field of Play Access Policy on the Swimming NSW Website.

The granting, controlling, and monitoring of the physical access to the pool deck and the area of competition is important to the safety of persons authorised.

Coaches must display their current ASCTA membership card at all times on pool deck.

MEDALS

Unfortunately at this years Junior Metropolitan Championships there will not be any formal medal presentations. After results have been finalised, medalists will be announced & medal recipients will collect their medals from the medal table on pool deck (near the utility pool). Top 10 finalists can also collect finalist ribbons from this table. Please ensure medals & ribbons are collected at the completion of the session in which they are achieved.
