- Competitor Tickets will be emailed out to all competitors in advance of the meet. These tickets will be sent from a *Ticketbooth* email address, not a SNSW address.
- Competitors can print this out or show it at the entry point using a mobile device. Should a competitor not receive their ticket prior to the meet, SNSW will assist you at the door
- Competitors will be able to sit in the Competitors Grandstand when they are not competing.
- Spectator Tickets must be pre-purchased and cannot be purchased at the door
- Both electronic & paper tickets are accepted
- For those yet to purchase a ticket, please ensure you do so prior to the event. Seats will be allocated via *ticketbooth* and cannot be changed.
- There will be staff in both Grandstands to oversee competitors and monitor social distancing
- We ask that you arrive no earlier than 1.5 hours before your first event and leave the venue as soon as your events have been completed to assist in managing numbers at the venue.
- Ensure athletes have all belongings (food, swimmers, goggles etc) with them when they enter and not with the spectator otherwise you will need to meet each other outside to exchange belongings

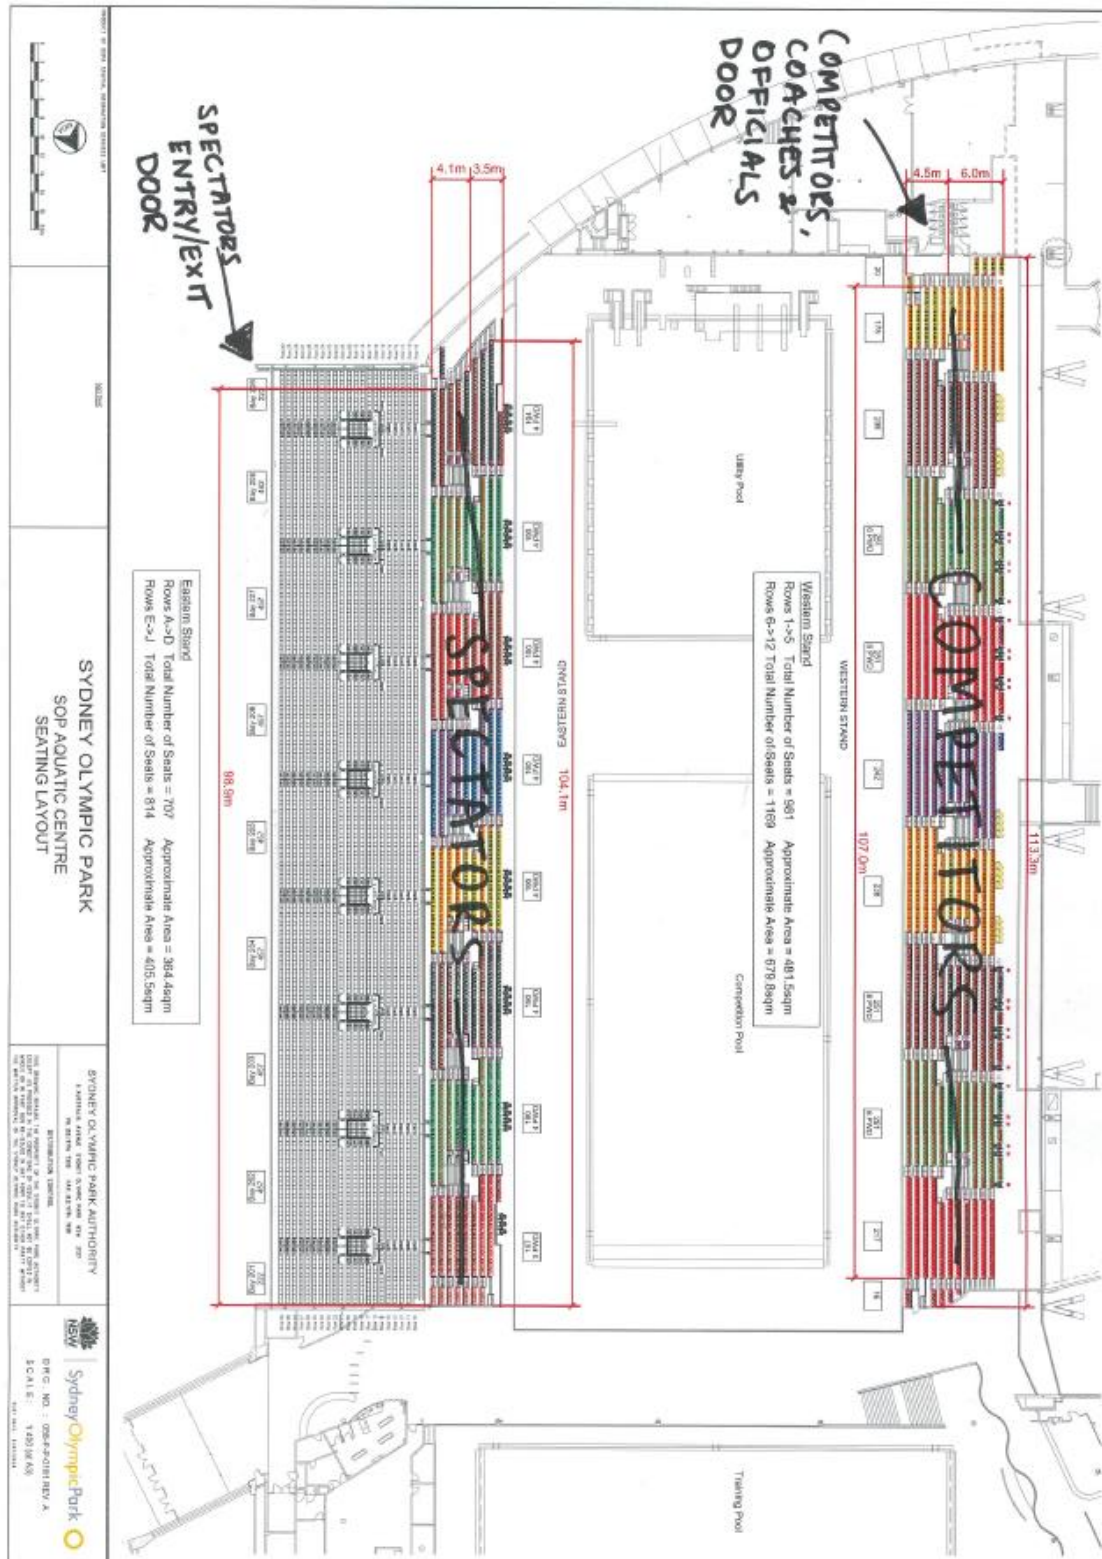

### Assisted Self-Marshalling

- Heats will be conducted in order of fastest to slowest. This is the opposite to the normal order at SNSW events.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- Swimmers will report to the chairs behind the blocks, for their event preferably via the marshalling area, as per the following process. The fastest heats will report first. In order to avoid congestion and ensure social distancing, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks
  - four (4) heats prior to their heat for 50m, 100m and 200m events.
  - For events 400m and more, two (2) heats prior to their event.
- The first heats of sessions should report 5 minutes prior to the scheduled start time.
- There will be chairs behind the timekeepers (100m, 200m, 400m, 800m and 800m Events) at the start end and also chairs put behind the starting blocks at the bridge end of the pool (50m Events).
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck.
- We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.

The below map indicates the pool layout for Marshalling.
