REFUND STATEMENTS

Membership Refund Policy

Under Australian Consumer Law Swimming NSW has no obligation to refund membership fees regardless of the timeframe after, or circumstances in which a member determines that they no longer wish to remain a member. Swimming NSW only has an obligation to refund membership payments or part thereof where a technical error has been proven to have occurred on the national online registration system, resulting in a negative financial effect on the user (e.g. if a transaction is debited twice due to a systems error). Therefore, Swimming NSW will not provide a refund for membership fees under any circumstance except that in which a technical error can be demonstrated.

Areas will align with the Swimming NSW membership refund policy above.

Clubs may choose to refund their own component of membership fees by cash, cheque or EFT to their members. If a club chooses to reimburse a member for the entire membership fee they have paid (including Swimming Australia's, Swimming NSW's and their area's fee portions), the club cannot claim reimbursement from the above-mentioned organisations for those fee portions.

Membership Refund Procedure

In the event a member experiences a technical error while performing a membership transaction which results in the member having fees debited from them more than once, the member can claim reimbursement/reversal of the duplicate transaction(s) from Swimming Australia.

The member, or a representative from the member's club, can contact the Sport Administrator at Swimming NSW (02 9763 5833 or admin@nsw.swimming.org.au) or Swimming Australia directly (03 9910 0700 or support@swimming.org.au) to claim reimbursement. Proof of fees being debited more than once must be provided to claim reimbursement (e.g. copy of credit card or banking statement with all fields blacked out except the relevant transactions, etc.).

Event Entry Fees Refund Policy

Swimming NSW will provide a refund for entry fees in situations where:

- a) illness or injury prevents an athlete from competing, or
- b) a technical error has been proven to have occurred on the national online meet entry system, resulting in a negative financial effect on the user.

A medical certificate covering the days in which you were intended to swim is required to claim a refund for part “a” above. If a medical certificate is not or cannot be provided, Swimming NSW reserves the right to reject the refund request.

Areas and clubs are not obligated to align with part “a” of the Swimming NSW Event Entry Fees Refund Policy. Areas and clubs are obligated to align with part “b” of the Swimming NSW Event Entry Fees Refund Policy.

Event Entry Fees Refund Procedure

To request a refund because of illness or injury, contact the Events Manager at Swimming NSW (02 9763 5833 or meet.entries@nsw.swimming.org.au). You will need to provide the following to request a refund:

- a medical certificate, clearly covering the days in which you were intended to swim
- the name of the meet entered
- the event numbers the swimmer withdrew from
- the swimmer’s name

The refund of entry fees will primarily be performed via credit card, so we also require your credit card number and expiry date to reverse payment to your card. Refund of fees by EFT can be arranged by special request only.

In the event a member experiences a technical error while performing an online meet entry transaction which results in the member having fees debited from them more than once, the member can claim reimbursement/reversal of the duplicate transaction(s) from Swimming Australia.

The member, or a representative from the member’s club, can contact the Events Manager at Swimming NSW (contact details above) or Swimming Australia directly (03) 9910 0700 or support@swimming.org.au to claim reimbursement. Proof of fees being debited more than once must be provided to claim reimbursement (e.g. copy of credit card or banking statement with all fields blacked out except the relevant transactions, etc.).

Event Ticket Sales Refund Policy

Tickets to Swimming NSW events are sold by two methods:

- a) via an external ticketing agent’s ticketing portal
- b) at the door to the event

If a refund is required when tickets are purchased via a ticketing agent’s ticketing portal, refunds are only granted by the ticketing agent, in accordance with the ticketing agent’s conditions of sale.

If a refund is required when tickets are purchased at the door to an event, refunds can be requested for reasonable circumstances*. Refunds will be made in cash and must be requested on the day the tickets were purchased.

**Reasonable circumstances will be decided at Swimming NSW’s or their representative’s discretion.*
