RULES

The Meet will be conducted under SNSW Rules. Heats will be conducted in order of **fastest to slowest**.

This program of events is final. No reseeding or modifications to lane allocations will be made. Athletes are encouraged to inform SNSW if they are withdrawing via greta.brodie@nsw.swimming.org.au

MARSHALLING PROCEDURES

Any swimmer who fails to report personally to the Clerk of Course at least ten (10) minutes prior to the scheduled time for the start of that session if entered in the first or second events, or at the time of the start of an event at least two (2) events prior to the event in which they are entered may be deemed to be withdrawn. It is permissible for a swimmer's representative to report to the Clerk of Course on their behalf. Where a swimmer has difficulty in reporting to the Clerk of Course by the required time, it is recommended that their representative report to the Clerk of Course on their behalf prior to the event closing. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Clerk of Course. All heats shall be deemed to be one event for the purpose of this rule (including heats of 800 metres and 1500 metre freestyle).

For Example: If entered in Event 9, the swimmer must have personally reported to the Clerk of Course **before the start of the first heat of Event 7.**

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.17.

In the event of there being sufficient withdrawals from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

All entrants in meets conducted by Swimming New South Wales must abide by and be subject to all the Swimming New South Wales General Rules, Swimming Rules, Open Water Swimming Rules, By-Laws, Policies, and published procedures in accordance with General Rule GR3.2

MULTI-CLASS (MC) SWIMMERS

MC swimmers competing in able bodied events are required to report with their classification card to the Referee prior to each Session, where their exceptions have not already been submitted with their entries for the MC events on the program.

Each Support Staff member for MC swimmers must wear their Pool Deck Accreditation tag while in the Marshalling Area, and on Pool Deck. Support Staff must comply with the applicable SNSW Multi Class rules when they are on deck.

BACKSTROKE LEDGES

Backstroke Ledges will be used during this Meet. A swimmer is not required to use the Ledge for the start of a backstroke race.

The ledges will be set to "0" (zero) by the Inspector of Turns and it will be swimmer's responsibility to adjust the ledge, and to make sure that it is locked in place after this adjustment.

TAPING

- The following uses of tape are **generally permitted** in competition and **advanced notification to the Technical Manager is recommended**:
 - a. Wound protection and closure.
 - Band-Aids, dressings, "Butterfly" type, etc. are normally permitted *with no advanced notification to the Technical Manager*.

 - d. Tape to secure medical devices such as insulin pumps, ostomy bags, etc.
 - In all other cases taping, including Kinesio Taping, Elastic Therapeutic Tape, taping intended to provide compression or support to muscles, ligaments, tendons or joints (except as stated above), the swimmer must provide **advanced notification to the Technical Manager** by way of a medical certificate. The certificate must be signed and dated by a Medical Practitioner or Physiotherapist indicating credentials of the medical practitioner and incorporate the period taping is required.
- Casts supporting a broken bone or other injury, whether fibre glass, plastic or plaster, are **not permitted in competition** – irrespective of whether a Medical Practitioner's note has been presented.

STARTING INSTRUCTIONS

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second-long whistle shall bring them back to the starting position with the toes of both feet in contact with the end wall or face of the touchpad.
3. On the command **"Take your marks"**, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.
8. In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish. (n/a for this event).

NOTE: If, because of the length of the program, "starting over the top" is used, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

Swim to Save Lives this March

LAPS FOR LIFE

One in four people in Australia aged 14-25 live with a mental health difficulty and sadly 70 percent of those living with a mental health difficulty do not get the help they need. This hits very close to home for us in the Swimming NSW community, with nearly one quarter of our membership base directly impacted.

So this March, we are calling on you, our clubs and members, to get behind **Laps for Life** a fundraiser that allows ReachOut.com Australia to provide free online support to 3.6 million young Australians annually.

The more laps you swim the closer you or your club get to winning some amazing prizes:

- a club visit from the legendary Olympian Ian Thorpe AM, or
- a professional filming experience and club video provided by Swimming NSW's videographer Fish Out Of Water Media, or
- the opportunity to train at our Olympic Park Performance Hub with members of the Australian Dolphins swim team.

Get the full details on this challenge, prizes and how to register your club as a team at nsw.swimming.org.au

SWIM LEAGUE IS BACK!

The 2021 Swim League season will be bigger and better than ever with 30 teams competing from 10 regions across NSW, all in Swim League's thrilling 60-minute competition format!

From May to July each team will have a chance to compete in 3 Rounds in their Region. And just when you think it couldn't get any bigger, we take Swim League action into overdrive with playoffs in August and State Finals in September.

With no qualifying times needed to take part and no official timing on the day, Swim League has taken the pressure out of swimming competitions.

Swimmers have a chance to try out exciting new non-traditional events. And the best part is, you don't need to be a member of a club to take part.

There's only a one-off cost to register – this includes entry to all Swim League events and a team cap and shirt so you can represent your team with pride.

Join the revolution this March at www.swimleague.com.au and follow @swimleagueaus on Facebook and Instagram to keep up with the action.
