PROJECT H₂grOw

Swimming Australia invites new and continuing athletes to track growth, maturation, and swimming performance with Project H₂grOw. Project H₂grOw is back again for the 2024/25 season and will be operating during the 2024 Dooleys NSW Junior Metropolitan Championships. The team will be situated on the walk bridge under the main scoreboard. Please keep an eye out for the Project H₂grOw banner.

Operating dates: Saturday 23rd to Sunday 24th November.

Operating times: Saturday and Sunday from 9 am to 3 pm.

Eligibility:

- Athletes who have previously been measured by Project H₂grOw regardless of age (up to 18 years) or how long ago your measurement was (from 2018 to present).
- New athletes – boys aged 10-15 years; girls aged 9-14 years.

Registration:

- No documentation is required for continuing participants previously measured.
- New parents and participants will need to read and sign the information and consent forms which can be obtained from Project H₂grOw researchers on the day, or by requesting the forms at h2grow@swimming.org.au.

Cost: There is no financial cost associated with participation in this project.

Swimmers are requested to attend for height, weight and sitting height measurements. Measurements take less than 5 minutes to complete. Parents are invited to attend with their children, but this is not mandatory as long as the signed consent forms have been supplied.

From being involved, you will receive a Project H₂grOw summary report identifying:

- Your maturational status and stage;
- Your growth tracking history, for those who have participated in previous years and;
- A H₂grOw time score - which shows how your swim performances scaled based on your relative age and maturity status.

Those who do participate will be invited to an online information session - for swimmers and parents - after the swim event. The online session will explain the benefit of information presented in the summary report and how it can be used by coaches, parents, and athletes.

If you would like to know more, please go to the Project H₂grOw website or send us an email at h2grow@swimming.org.au.
