ASSISTED SELF MARSHING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- For Heats, Swimmers will **report to the chairs behind the blocks**, for their event preferably via the marshalling area, as per the following process. **The fastest heats will report first**.

In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks

- **four (4) heats prior** to their heat for 50m, 100m and 200m events.
- For events 400m and more, **two (2) heats prior** to their event.

- The **first heats of sessions** should report **5 minutes prior** to the scheduled start time.
 - For **Finals Sessions**, swimmers must report two events prior, as per traditional marshalling
 - There will be chairs behind the timekeepers (100m, 200m, 400m, 800m and 1500m Events) at the start end and chairs put behind the starting blocks at the bridge end of the pool (50m Events).
 - After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
 - Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event (This is a guide only to allow the event to flow. Leniency will be employed by Referees whilst this process is initially implemented). If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
 - The Referee will ultimately make decisions as to entitlement to swim.
 - There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.
 - Swimmers will need to leave any clothing so that it is able to be collected without re-entering the competition area after their event. In the finals session, baskets will be available to drop clothing/items in and will be collected by the basket handlers, except for 50m events.
 - Swimmers exiting the pool after events will move to the swim down pool via designated exits
 - Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.
- Where events are Timed Finals and the fastest heat is to be swum in the Finals session, ALL swimmers must advise the Clerk of Course of their intention to swim by the close of marshalling for that event during the Heats session.**
