

How to view attendees entered in a swim meet from my club (for committee members only)

Your club committee members can view the attendees in a swim event linked to their club, as well as the events that they have entered into.

Access your entity Home

Click the **Events** icon

The screenshot shows the 'Entity Home' interface for 'New South Wales'. It includes a logo upload section, a details section with contact information, and a central grid of icons. The 'Events' icon, represented by a calendar, is highlighted in yellow. Other icons include Members, Approvals, Messages, Coaching, Purchases, Documents, Reports, Products, Discounts, Positions, Venues, Document Provision, Groups, Security, Legal Terms, Embeddables, and Library.

To view the list, click on the event you'd like to look at, and then click on **Event home**.

The screenshot shows the 'Entity Events' page. It features a search bar, filters for 'Dates' (set to 'Upcoming') and 'Types' (set to 'All'), and a list of events. The 'Events' icon in the top right is highlighted. A tooltip explains that users can create an event using the 'Event +' icon or select an event to view information or edit it. It also notes that users can link an event from another entity using the 'Link chain' icon.

Name	Date	Status	Home
