

How to view who a member's guardian/parent member is?

Search for the member in your members list and click on their name. Do not click on the impersonation icon.

Click **Member Home**. Do not click the impersonation link-home

The screenshot shows the 'Member Selector' interface. On the left, there is a search bar and a table of members. The table has columns for Name, Email, Disability, DoB / Age, and Home. The member 'Crews, Jacob' is highlighted in a teal bar at the bottom of the list. On the right, the 'Crews, Jacob Preview' is shown. It includes a 'Member Home' button, 'Impersonation Links' (Home, Membership, Library), 'Identity' (First Name: Jacob, Last Name: Crews), 'Disability' (Has Disability / Multi Class: X), and 'Address'.

Click the **Groups** tab on the right-hand side of the page.

Here you will be able to see which groups a member is apart of (this could also include messaging groups).

This includes the **GROUP NAME** and **GROUP FOUNDER/PRINCIPLE** (aka guardian/parent).

To access the guardian/parent's details including email address, click the family icon under the Actions Column.

The screenshot shows the 'Member View' interface for 'Bang, Willow'. It features tabs for 'Memberships', 'Groups', and 'Cart'. The 'Groups' tab is active. Below the tabs, there is a 'Group Memberships' section with a search bar and an alphabetical index. A table lists group memberships with columns for Group Name, Type, and Actions. The entry 'Bang Eun Tak' is highlighted, and a family icon is visible in the Actions column.

You can now view the guardians details.
