Swimming NSW's Partners

Swimming is not just a well-loved sport and recreational activity - it's an incredibly important skill that promotes life-long health, fitness and mobility, and prevents drownings.

Swimming NSW's mission is to become our state's leading sport through increased participation, enhanced performance and through the provision of quality life skills developing programs for the community. We are proud to have the support of various commercial sponsors and partners, whom through their support, make it possible for us to share our love of swimming with the people of NSW.

MARSHALLING PROCEDURES

Swimmers in the first and second event of each session, or their representatives, are required to report to the Clerk of Course at least 10 minutes prior to the scheduled start time. For multi-age events conducted concurrently swimmers should report to marshalling • ONE event prior to the scheduled event or when called by the Clerk of Course. • The first 5 heats should report promptly. • Swimmers are required to know their heat and lane number when reporting. Failure to comply with the above may result in the swimmer being deemed to be withdrawn. It is permissible for a swimmer's representative to report on their behalf. Where a swimmer has difficulty in reporting to the Clerk of Course by the required time, it is recommended that their representative report to the Clerk of Course on their behalf prior to event closing. Once reported, a swimmer is not permitted to leave the marshalling area unless approval is first obtained from the Clerk of Course.

Coaches or parents are not permitted to be in the Marshalling Area. Refer Swimming New South Wales Ltd. Swimming Rule SW10.17.

In the event of there being sufficient withdrawals from the heats of an event, which would enable the number of heats to be reduced, the Referee may at their discretion either amalgamate heats by filling vacant lanes in a heat or heats with those swimmers whose heat has been cancelled, or reseed the whole event.

All entrants in meets conducted by Swimming New South Wales must abide by and be subject to all the Swimming New South Wales General Rules, Swimming Rules, Open Water Swimming Rules, By-Laws, Policies, and published procedures in accordance with General Rule GR3.2

WITHDRAWALS

Swimmers who fail to report to the Clerk of Course by the specified time shall be a withdrawal.

CONDITION OF ENTRY

It is a condition of entry to all Swimming New South Wales conducted meets; that all Entry Times are able to be verified, in accordance with the Swimming New South Wales procedures. It is the responsibility of the Club to ensure that these times are able to be verified.

Should a swimmer swim slower than the qualifying time in a Swimming New South Wales conducted meet and the qualifying time of the participant is not able to be verified, then the swimmer will be fined in accordance with Swimming New South Wales General Rule GR7.

Multi Class Events (MC)

All MC events at Swimming New South Wales Championship meets will be conducted as per NSW Championship rules incorporating the relevant World Para Swimming (WPS) rules as adopted by SNSW.

1. When the swimmers have been placed behind the starting platforms, the Announcer will announce the Event and Heat number, e.g. Event 4 Heat 3.
2. On the long whistle from the Referee, the swimmers shall step onto the starting platform and remain there. For Backstroke and Medley Relay events they shall immediately enter the water and a second long whistle shall bring them back to the starting position.
3. On the command **“Take your marks”**, the swimmers will immediately take up their starting positions with at least one foot at the front of the starting platform, or in the case of a Backstroke or Medley Relay event, their starting position in the water and remain stationary.
4. When all swimmers are stationary the Starter shall give the starting signal.
5. Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again.
6. Swimmers must finish in the lane in which they start, and will remain in the water in their lanes at the finish of the event. On the signal from the Referee swimmers are to leave the water by the side of the pool.
7. In an Individual Medley event, the sequence of strokes is Butterfly, Backstroke, Breaststroke and Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly and Freestyle.
8. In 800 and 1500 metre events, lap counters will be displayed at the turning end of the pool to advise the number of laps to be completed. A warning whistle will be given when each swimmer has two (2) lengths plus five (5) metres of the course to finish.

NOTE: If, because of the length of the program, “starting over the top” is used, swimmers from the preceding heat are to move to the side of the lane, against the finishing wall, and remain still. Where the next race will be backstroke the swimmers are to move down the lane rope towards the backstroke flags and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.
